Christian Democracy And The Origins

Christian democracy is a political ideology that emerged in 19th-century Europe under the influence of Catholic social teaching, as well as Neo-Calvinism. Christian democratic political ideology advocates for a commitment to social market principles and qualified interventionism. It was conceived as a combination of modern democratic ideas and traditional Christian values, incorporating the ...

Christian democracy - Wikipedia

He shows how well networked party elites ensured that the origins of European Union were predominately Christian democratic, with considerable repercussions for the present-day EU. The elites succeeded by intensifying their cross-border communication and coordinating their political tactics and policy making in government.

Christian Democracy and the Origins of European Union by ...

I'm not arguing that Christianity has to be authoritarian and anti-democratic. Instead, I want people to realize that the recent history of Christianity's acceptance of democracy and popular sovereignty is just that: recent. Contrary to what some Christians say, it's not inherent in or mandated by Christianity — especially since so many of ...

Is Christianity Compatible with Democracy?

He shows how well networked party elites ensured that the origins of European Union were predominately Christian democratic, with considerable repercussions for the present-day EU. The elites succeeded by intensifying their cross-border communication and coordinating their political tactics and policy making in government.

Christian Democracy and the Origins of European Union by ...

The roots of transnational Christian democracy's broad constitutional ideas and preferences for European integration were embedded in their largely shared collective experience of the overbearing centralised liberal nation-state, their regional political anchoring and identity, their preferences for societal - and political - organisation in line with the principle of subsidiarity derived from Catholic social teaching and federalist thought as it largely developed inside the ...
