CPI Security inTouch on the App Store

CPI Security Cost Breakdown. CPI's pricing actually threw us for a loop. We were excited when we heard their monitoring starts at \$29.99 per month. So, we called in, and after going through a consultation and a credit check (yep!), we were told that the \$29.99 monthly monitoring was only for their no-frills Essentials package.

CPI Security Reviews | 2020 CPI Security System Reviews ...

CPI Security goes beyond security to engage in the communities they serve by investing monetary contributions and employee time to local police, fire departments, emergency medical departments, community organizations, and local non-profits. Check out the full review of CPI Security here.
