Effective negotiation behavior requires a consistent negotiating style. Yet new research suggests our effectiveness varies significantly from one negotiation to the next. By Katie Shonk — on September 9th, 2019 / Negotiation Skills. We might hope that when we adopt effective negotiation strategies—such as spending lots of time preparing and

Use Negotiating Styles ...

This approach is based on the premise that one person can win only at the expense of the other. It has the following characteristics: (i) One side 'wins' and one side 'loses'. (ii) There are fixed resources to be divided so that the more one gets, the less the other gets. (iii) One person's interests oppose the
