Wizards of the Coast made multiple attempts to print an improved version of the Core Set before finally getting Revised out the door. Revised consisted of 306 cards. The set was originally designed without a visible marker of rarity as Wizards of the Coast wished for the specific rarity of each card to remain hidden; however, with the eventual inclusion of rarity on the card face, they ...

In this revised edition of Health Disparities in the United States, Donald A. Barr provides extensive new data about the ways low socioeconomic status, race, and ethnicity interact to create and perpetuate these health disparities. Examining the significance of this gulf for the medical community and society at large, Barr offers potential policy- and physician-based solutions for reducing health inequity in the long term.
